CUMHUR

SAC BORU PROFİL

merhaba

Ticareti bir dost kazanma mecrası olarak bilen Cumhuriyet Metal, sizinle tanışmaktan büyük memnuniyet duyuyor.

Elinizde bulundurduğunuz çalışmanın yeni dostlukların oluşmasına katkı sunacağına inanıyoruz.

Bizim ifademizle Panotif, bugün bina dış cepheleri, merdivenler, cam, kapı, balkon uygulamaları, aydınlatma ve asansör sistemleri, iç dekorasyon çalışmaları, ofis ve ev mobilyaları gibi sayısız alanda kullanılmaktadır. Gelişmiş CNC teknolojilerin bizlere sunduğu avantajlarla üretimde asgari ve azami limitler belirlemeksizin çalışma yapmak mümkün hale geliyor. Yüksek maliyetli kalıp üretimleri yerine Panotif gibi kullanıcının istek ve ihtiyacına yönelik esnek çözümler tercih sebebi oluyor.

Üretimde en iyi sonuçları alabilmek için üst düzey teknik uzmanlardan faydalanmak bir gereklilik olsa da bilgi, tecrübe ve inovatif yaklaşım sağlanmadığı takdirde ihtiyaçların karşılanması oldukça zor hale geliyor. Tüm bunların üstünde ise müşteri memnuniyeti esasının, güler yüz, dürüstlük, güven ve itibarla meydana geldiğine inanıyoruz.

Bu vesileyle, Temelleri, prensipleri, ahlak ve dürüstlük düsturları onlarca yıl öncesinden inşa edilmiş Cumhuriyet Metal'e güvenen herkese teşekkür ediyoruz.

Güveni boşa çıkarmadığımızın ispatının bize verdiği mutluluğu, "size güveniyoruz" cümlesine muhatap olmanın şerefini bize yaşatan bütün dostlarımıza teşekkür ediyoruz. "Hepiniz güler yüzlüsünüz" diyen dostlarımıza, "siz dürüst insanlarsınız" nişanını bize lütfeden dostlarımıza teşekkür ediyoruz.

Yola çıkarken ve yürürken ayağımıza taş değmesin diye gönül birliği yapan, kâr, zarar ve sayılarla ölçülebilen her şeyin aslında ticaretin neticesi değil bir detay olduğu gerçeğini bizimle yaşayan tüm dostlarımıza, çalışma arkadaşlarımıza, selam verene, çay içmeye gelene, adres sorana, binlerce ton mamül ulaşırana, "kazasız belasız inşallah" diyene, teşekkür ediyoruz.

Ömrünü güvenilir ve dürüst bir ticaret insanı olarak geçiren, her adımında insanı ve erdemlerini önceleyen kurucumuz Orhan Cumhuriyet Dizer'i rahmet ve minnetle yâd ediyoruz. Kıymetli hatırasını, temiz gayretini yaşamak ve yaşatmak gayesiyle bize bu günleri yaşatana da sonsuz şükrediyoruz.

Değerli dostumuz,

İyi ki varsınız.

hello there

Regarding the trade as a way of making new friends, Cumhuriyet Metal is delighted to meet you.

We believe that the work you have within your hands will contribute to the formation of new friendships.

In our words, Panotif is used in various areas such as building exteriors, stairs, glass, doors, balcony applications, lighting and elevator systems, interior decoration works, office and home furniture. With the advantages offered by advanced CNC technologies, it becomes possible to work without setting minimum and maximum limits in production. Instead of high-cost mold productions, flexible solutions such as Panotif are preferred.

Although it is essential to benefit from high-level technical instruments to get the best results in manufacturing, it becomes challenging to meet the needs unless knowledge, experience, and innovative approach are provided. Above all, we believe that customer satisfaction is based on a smiling face, honesty, trustworthiness, and reputation.

We would like to thank everyone who trusts Cumhuriyet Metal, whose foundations, principles, morals, and honesty codes were built decades ago.

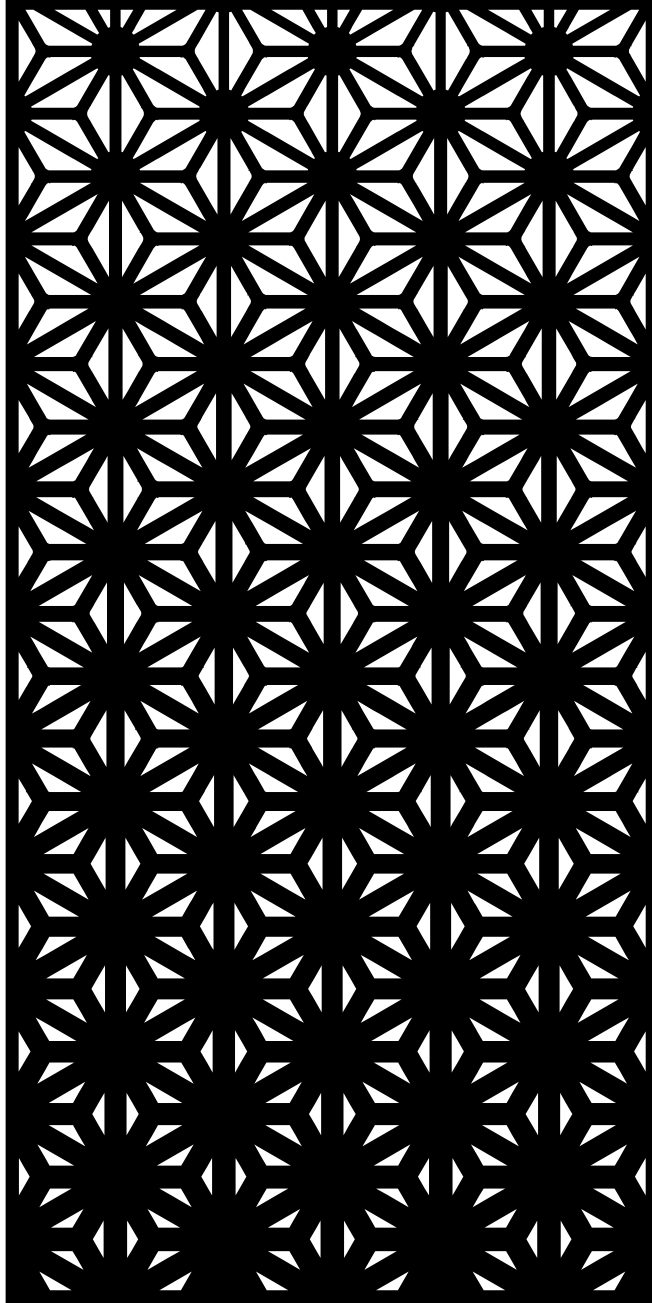

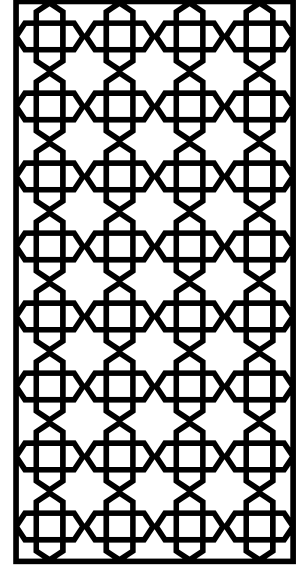

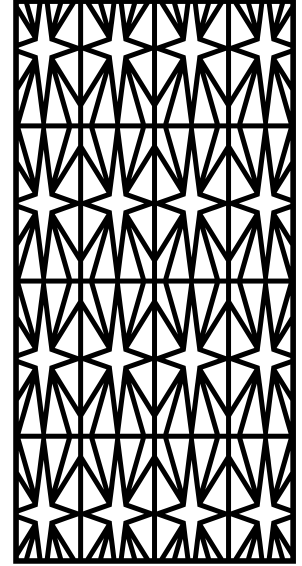

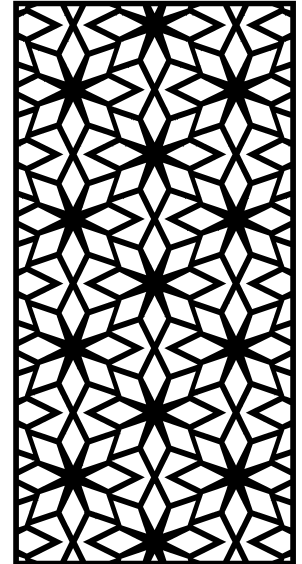

We would like to thank all our friends who make us feel the happiness of proving that we did not fail the trust and the honor of being the addressee of the phrase "We trust you." We would like to thank our friends who say, "You are all cheerful" and our friends who granted us the "you are honest people" badge.

We would like to thank all our friends, colleagues, those who greet us or those who stop by for a glass of tea; those who ask for the address, those who live with us the fact that everything that can be measured with profit, loss, and numbers is actually a detail of trade, not the result; those who deliver thousands of tons of products; those who accompany to back us up while we are on the road and walking, and those who wish us the best of luck.

We commemorate our founder, Orhan Cumhuriyet Dizer, with mercy and gratitude, who spent his life as a reliable and honest businessperson and prioritized people and virtues in every step. We are eternally grateful to that who made us live these days with the aim of living and keeping alive his precious memory and clean effort.

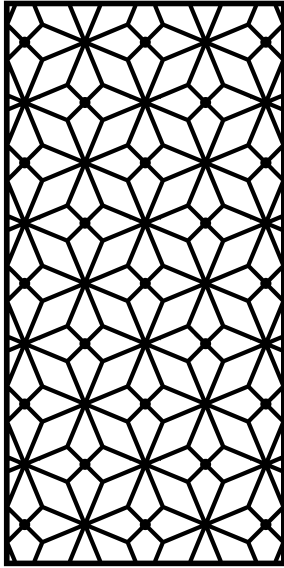

Dear friend,

We are so glad to have you.
